McDowell Senior Center presents....

Ark Encounter & Creation Museum Tour

April 18 – 20, 2017

And the Lord said, I will destroy man whom I have created from the face of the earth...but Noah found grace in the eyes of the Lord. And God said unto Noah...Make thee an ark of gopher wood; rooms shalt thou make in the ark and shall pitch it within and without with pitch. The length of the ark shall be 300 cubits, the breadth of it 50 cubits & the height of it 30 cubits. A window shalt thou make to the ark and the door of the ark shalt thou set in the side thereof, with lower, second and third stories shalt thou make it.

This is one of the greatest of all stories in the Bible and now, for the first time in history, you'll be able to tour an exact replica of Noah's Ark in Northern KY. At over 500 feet long, 80 feet wide, 50 feet high, with three stories, a window & door, the construction of the ark is based on an accurate Biblical account of the original dimensions, shape & form. We invite you to join us for this "life changing" tour.

Highlights of the tour include:

- ❖ Deluxe roundtrip motorcoach transportation
- ❖ Two night first class hotel accommodations
- ❖ Reserved admission to the **Ark Encounter**, complete walk through tour of all 3 stories of the ark (with staff to explain the construction process, about the cages for the animals, how food was stored, etc.) plus see other exhibits on display.
