

# **VOLUNTEERS NEEDED**

## **American Legion Post 56 Van Transportation System**

If you are a veteran with a clean NC drivers license, would you be interested in donating some of your time, about one day a week, a couple of hours a day, to transport other veterans to the Charles VA Medical Center in Asheville and to other medical appointments? We'll furnish you with a vehicle to drive.

If you are interested, **please call Alan at 828-317-9518.** Please keep in mind that these veterans depend on us and we don't want to let them down, after all they have done for us.
