

American Legion Post 56 Van Transportation System is in need of Volunteer Drivers. Do you have a clean driving record and can you donate one day a week to drive? If you can, we need you to drive our McDowell County Veteran(s) to a medical appointment at the VA Hospital or other medical facility. For more information, please call Alan Mainer, Post 56 Commander at 828-317-9518 for an initial interview. American Legion Post 56 will provided the transportation vehicles. Your only requirement will be to have a clean driving record and have transportation to get to the Senior Center where the Legion vehicles are parked. You do not have to be a veteran nor a member of the American Legion to be accepted for this driver position. If you are eligible because you are a war time veteran, Post 56 will pay for your membership into the American legion as long as you are a driver.
